ReadMe for Step 5 Submit

With this submit, you will find log files (in 'logs' folder) and source code.

1. Log files

log_pipeline.log	Log file that shows the progress
log_metric.log	Log file to store the metric in each step: process name, read/write, file name, columns, rows

2. Source code

Please see 'Introduction of AOTAS modules and source code.pdf' in the same folder for more detail.
